How to create infographics on Genial.ly :

How to create a video presentation on Genial.ly

Video presentations

Return to Pills A video presentation is a series of pages that play like a video. A specific viewing time for each page is established. The audience receives the information in an animated, enjoyable, and visually-appealing way. The pages continue on their own, but the audience can pause the video presentation to interact with it in some way.

GENIAL

2nd task Create an Infographic

- Infographics about the topic

Create an infographic about your topic, presenting all key concepts; Use the app Genially, **Click on the picture to access the template**
