14 yanıt

6-Did you have enough time to complete your project on time?

14 yanıt

8-What do you think about the topic you choose for the project?

13 yanıt

9-What are your overall thoughts on this project experience?

10 yanıt

Thanks to my experiences,I improved my English.

This project is very nice and fun.The best part is that it becomes fun with the support of our teachers and the fact that we work in unity and solidarity 😊

It was fun. I enjoy and i had good times.

I think this project is very beautiful and funny

The project was nice,fun and educational

Bence ideal oluşturulmuş bir topluluktur.Bu gruba büyük umutlarla katıldım diyebilirim

I think this is so good i'm very enjoyed but i like chatroom much. But we have come to the end. Anyways, thanks for this i'm very loved this!

Yes,a lot

10-What kind of improvements could be made for this project?

10 yanıt

Writing skills, expression power.

New web tools

No improvements required for this project

I think the project is very organized and beautiful ,I think it is good,there is not much missing. 😊

Zoom meetings can be held by forming groups, including one child from different countries. Us, children, we can both introduce our own culture and learn about different cultures in a single meeting.

I think criticism cannot be made

Daha fazla bizim yaşımızın çoğunlukla istediği aktiviteler eklenebilir

I think we need to make more chatroom or zoom meetings and we need to more kahoot play

Yes i love
